AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to a second non-final office action in the above case dated June 13, 2005 ("Second Office Action") in which the Examiner rejected certain claims as indefinite (35 U.S.C. § 112, par. 2), rejected all the claims as directed to non-statutory subject matter (35 U.S.C. § 101), and rejected all the claims as anticipated (35 U.S.C. § 101) or obvious (35 U.S.C. § 103) over cited art.

On October 10, 2005, the attorney for the Applicants and the Examiner had a phone interview discussing the rejections. Amendments to the claims were discussed that the Examiner indicated would likely overcome the indefiniteness (Section 112) and non-statutory subject matter (Section 101) rejections. Applicants amended the claims as discussed to overcome these rejections. Applicants further amended claims 3, 19, and 35 as discussed during the interview to further distinguish over the cited art. Applicants submit that all pending claims 1-48 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2. Remarks/Arguments begin on page 12.
